Global Playground Stockholm

NATURE + ART + SCIENCE + CREATIVITY =
Sustainability

We raise awareness about sustainable lifestyles through culture, media and knowledge exchange.

Our philosophy relies on a bottom-up approach to empower people to bring change in their local environments.

WHAT DO WE DO?

promoting
sustainability

connecting
people

cultural enrichment
and integration in
Sweden

playful
education

art projects

sustainable
lifestyle
workshops

cultural exchange
Sweden - Ukraine -
Belarus

ALL ABOARD

- ◆ 2 years project fostering synergies in 4 countries (Sweden, Portugal, Greece, Turkey) aiming to develop an innovative approach to **shift the focus from raising awareness to taking action** in the environment and fighting against climate change with teachers and children from primary education level. It comprises school partners from different countries and NGOs experts in sustainability and SMEs in the field of education & training and the development of gamified educational resources.

3 SCHOOLS: SWEDEN – TURKEY – PORTUGAL

EBBA BRAHE

AGRUPAMENTO DE ESCOLAS
LOUREIRO

3 TECHNICAL PARTNERS

TARGET GROUP

- ❖ Primary and lower secondary school children between 6 and 12 years old and their parents, primary and lower secondary school teachers.

To equip teachers and educators with the knowledge, skills and attitudes needed to live, work and act to contribute to achieving environmental sustainability

To support education and training institutions to integrate sustainability into teaching and learning

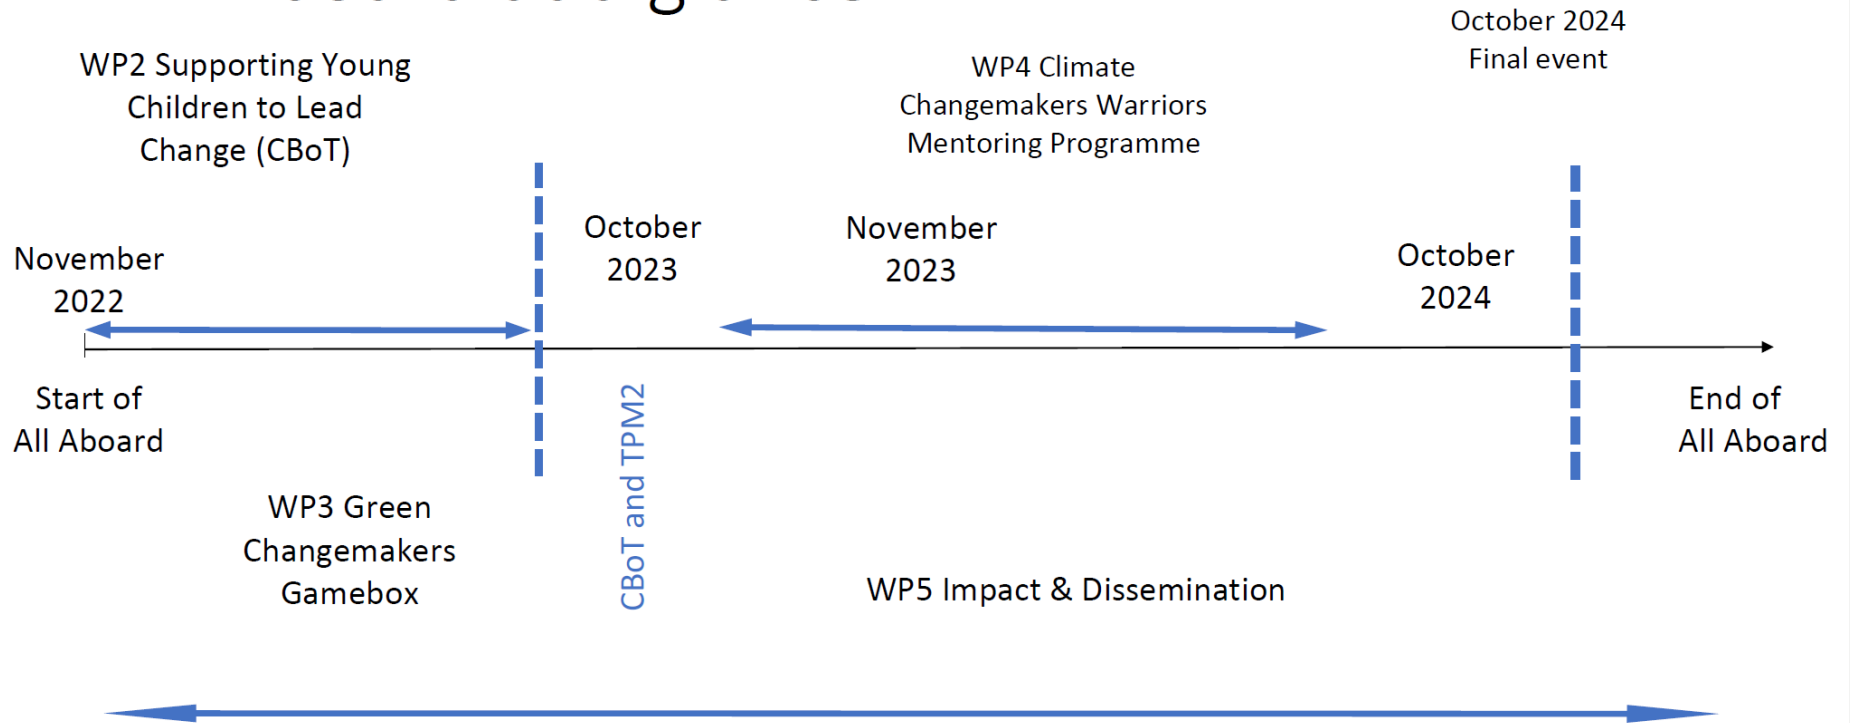

All Aboard
OBJECTIVES

To embed education for environmental sustainability throughout the education and training system as a whole

All Aboard at a glance

EXPECTED RESULTS

- ❖ empower children at an early age to address real problems, at local, national and European levels, which will promote inclusive education in schools and scale up this approach to other schools, and/or organizations
- ❖ Increase awareness, knowledge and understanding of sustainable practices among children
- ❖ Implement actions in the environment and the fight against climate change
- ❖ Contribute to the changes in schools as the hubs of education and leadership on the SDGs
- ❖ Empower children to prioritize sustainable development in their lifestyles, behaviours, attitudes, education and their future

WHAT IS NEXT?

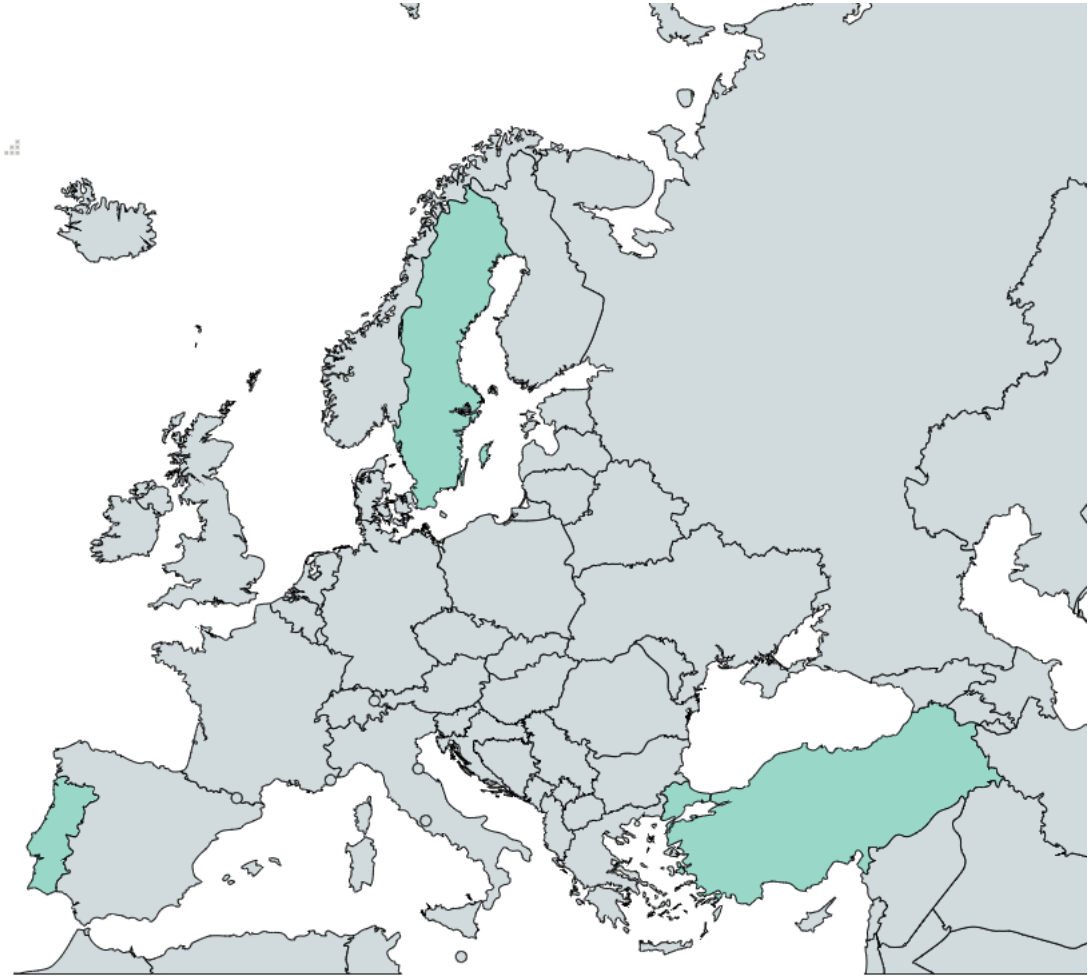

International Capacity Building of Teachers –

16 teachers from Sweden, Turkey and Portugal will meet to test the **Gamebox** (e-learning platform) during the alpha test and the **Methodological approach framework** (MAF), improving their skills by sharing the experience with each other:

- Module 1. How to be a sustainable mentor?
- Module 2. How to face environmental challenges?
- Module 3. Let's be sustainable consumers!
- Module 4. I am an energy saver. And you?
- Module 5. How do I efficiently manage my waste?
- Module 6. How to make an economy circle?

**NATIONAL
CAPACITY
BUILDING
OF
TEACHERS**

MENTORING PROGRAMMES IN SWEDEN, PORTUGAL AND TURKEY

- ❖ 3 open calls for children's fellowships to be mentors ("Climate Changemakers Warriors" mentoring programme **to teach children to be solution-minded**, innovative achievers of sustainable practices to become environmental warriors)
- ❖ 24 mentors (8 per school) between 6 & 12 years old will be selected in order to develop the mini mentor's programme camp. Mentors will create activities with their peers under supervision of teachers
- ❖ 3 mini mentor's programme camp (1 per school) will be developed by children with support of teachers

MINI MENTOR'S PROGRAMME CAMP

- ❖ Between 20 - 22 activities/mini projects (7 per school) will be organized (face – to - face & online)
- ❖ involving 240 primary students (80per school) as green changemakers
- ❖ 3 Behavioral Assessment Model checklists

LESSONS LEARNT

- Avoid extra travels to save time and reduce CO2 emissions. Kick-off meeting was held online instead of in Stockholm
- 2nd TPM will be held in connection with the CBoT:s international sessions in Portugal on the 17th and 18th of October. Vegetarian food during CBoT in Portugal.
- Use digital tools for signatures, on-line meetings
- Benefit of cooperation between schools and NGO/SME
- Translation Toolbox and Catalogue of good practices to local languages.
